BABY LIKE A CHAMELEON.

Des Moines Infant Changes Color Three Times Every Day.

Des Moines, Ia., May 11.—A baby who changes color three times every twenty-four hours is a curiosity in Des Moines. The baby is Eli Rami, the one-year-old son of Count Natho, who married an American girl in Quincy three years ago. It is said to be the first baby of Hindoo parentage ever born in America.

When the little fellow awakens at sunrise he is a pink, fair-complexioned boy. At noon he changes color, and within an hour is of the dark, ginger color of his princely ancestors. At night he becomes an alabaster white. The mixture of bloods is said to be accountable for the strange phenomenon.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

HORSE AND AUTO SHOW.

Great Interest Manifested in Event to Be Given at Rutland June 5 and 6.

From present indications the Interstate Horse and Automobile Show to be given at Rutland June 5 and 6 is to be a most successful affair and one of great opportunities to horsemen. Great interest has already been manifested in the event and the principal breeders of Vermont and New Hampshire will enter their entire stables.

Probably the most important feature of the show will be the selection of horses for the experimental station to be established at Burlington by the United States government for the breeding of Morgan horses for cavalry use. Fifty thousand dollars has been appropriated for the experiment and on the start two stallions and two mares will be used. They may be selected by a commission appointed by the government and they are all men of recognized ability in horsemanship circles. It consists of Governor E. C. Brainerd of Brainerd, O. S. Fassett of Enosburg and Cassius Peck of Burlington, the last of whom is to be superintendent of the station. When the selection is once made it is practically a sure thing that available prices will be paid for the horses, and prices that are above the reach of almost any buyers excepting the government.

The management of the fair is assured that a troop of cavalry from Fort Ethan Allen at Burlington will be present at the fair and they will give exhibition drills in the larger circles and large fairs the cavalry men from the Vermont are always in great demand, and they are worth going miles to see when they are giving such performances as Rutland is sure to get.

The entry list already includes over 150 horses, among which are the stables of N. H. Hare, Jr. of Newbury, E. D. Hines of Fowler. The former has entered 14 horses, including the famous race track steeds, Advance and Ormond.

The Delaware and Hudson railroad company and the Rutland railroad will sell greatly reduced rate tickets to the fair.

JAIL FOR THEM.

Whitecappers to the Number of 332 Behind the Bars.

New Orleans, La., May 11.—Three hundred and thirty-two whitecappers, indicted for intimidation in the counties of Amite, Pike and Franklin, Miss., have pleaded guilty before the United States district court at Jackson, Miss., and have been committed to the penitentiary and a fine of \$25 each.

The outrages occurred in 1902. At first it was found impossible to suppress the whitecappers or get evidence against them. The vigorous policy of Gov. Vardaman, however, succeeded in getting at all the facts in the conspiracy. List of whitecappers were E. D. Hines of Fowler. The former has entered 14 horses, including the famous race track steeds, Advance and Ormond.

A BARRE CASE.

Many More Like It in Barre.

The following case is but one of many similar occurring daily in Barre. It is an easy matter to verify its correctness. Surely you cannot ask for better proof than such conclusive evidence.

John Byrnes, on West street, living at 62 Summer street, Barre, Vt., says: "I never was much of a hand to take medicine, and so I never had much faith in any remedy until I procured a box of Doan's Kidney Pills at E. A. Drown's drug store. I was suffering at the time from a dull pain in my back and such sharp twinges that if I attempted to rise after stooping I had to put my hands to my knees and gradually regain an erect position. I could hardly believe that a medicine could make such a change in a man as Doan's Kidney Pills did in me. Two boxes cured the backache that had annoyed me so long, and I could get around without the sharp twinges in the small of my back or any discomfort at all. I hope others troubled as I was will use Doan's Kidney Pills on my recommendation, for I know they will have no cause to regret it if they do."

For sale by all dealers. Price 50 cents. Foster-McIlburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
